Short description

Intel® Core™ i7-3630QM processor, Windows 8, NVIDIA® GeForce® GTX 670MX DirectX® 11 graphics, 750 GB hard drive, 16 GB memory, Dolby Home Theater® v4, 43.9 cm/17.3" matt full HD display

Long description

The ultimate gaming notebook – get a tough one!
The basis for the intelligent performance of the MEDION ERAZER X7819 is its Intel® Core™ i7-3630QM processor – be more productive than ever before, with the high-performance third-generation Intel® Core™ processors! The Intel® processor automatically adjusts to higher performance demands and activates the Turbo Boost feature just when you need it. Ultimate gaming enjoyment is guaranteed by the brand new high-end NVIDIA® GeForce® GTX 670MX DirectX® 11 gaming graphics that deliver unbeatable performance for the latest games and help you to leave the competition in your wake. Windows 8 is installed as the operating system – it is faster, more reliable and simplifies your daily tasks.

The matt 43.9 cm/17.3” full HD display will take your breath away, with its particularly intense colours, crystal-clear picture reproduction and fast reaction time – just the way gaming is supposed to look! The huge 750 GB hard drive provides ample room for storing your photos and music. The integrated second hard drive slot allows you to more than double your storage capacity by adding a standard 6.35 cm/2.5" hard drive. In

MEDION® ERAZER® X7819 (MD98316)

addition, there is the exceptional 16 GB DDR3 memory for extremely quick and reliable access to programs.

The data turbo: thanks to cutting-edge USB 3.0 interface technology, you can transfer your data in seconds. The sound of the high-definition audio system's two loudspeakers and subwoofer brings your pictures to life – a fantastic Dolby® Home Theater v4-certified audio experience with dynamic and clear bass sounds. The LEDs inset in the laptop's lid round off the whole package. The MEDION® ERAZER® X7819 presents powerful performance packaged in a high-quality dark brushed aluminium look.

Windows 8
Beautiful, fast, fluid
Windows 8 has been redeveloped to be all about you. Put what matters most right on your Start screen, and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing.

Intel® Core™ i7-3630QM third-generation processor
(2.4 GHz, with Turbo Boost Technology 2.0 up to 3.4 GHz, 6 MB Intel® Smart Cache, Intel® Hyper-Threading Technology)
Intelligent performance at the highest level. Get yourself top performance for the most demanding applications – with a visibly intelligent third-generation Intel® Core™ i7 processor. Intel® Turbo Boost Technology 2.0 automatically switches the processor to maximum speed when your notebook needs that little extra bit of performance for demanding tasks.

High-end NVIDIA® GeForce® GTX 670MX DirectX® 11 gaming graphics with 1536 MB GDDR5 memory and digital HDMI® audio/video output
Extensive DX11 effects ensure extremely fluid images with exceptional frame rates. Experience greater performance with higher frame rates and more details than ever before.
Thanks to intelligent NVIDIA® Optimus™ technology, the computer can switch automatically between powerful NVIDIA® graphics or the power-saving integrated Intel® HD graphics depending on the application being used.

43.9 cm/17.3" widescreen LED backlight display
with a full HD resolution of 1920 x 1080 pixels Pure gaming experience! Intensive colours and crystal-clear picture reproduction with especially high resolution.

750 GB S-ATA hard drive
Sufficient for more than 300,000 music files or photos (at 4 MB per track/photo)
The integrated second hard drive slot allows you to more than double your storage capacity by adding a standard 6.35 cm/2.5" hard drive.

Impressive 16 GB DDR3 SDRAM memory
With high-speed, power-saving memory technology

Living sound – high definition audio with 2 loudspeakers and 1 subwoofer
Dolby Home Theater®* v4-certified Dolby Home Theater® transports you right into the very middle of the events on your screen – providing a cinematic experience whether you're at home or on the move. Thanks to the high-performance, modern audio

MEDION® ERAZER® X7819 (MD98316)

technology, with Dolby Home Theater you can enjoy music, films and games with lively surround sound.
